Dear JULIO A TAPIA :

Enclosed is your Escrow Disclosure Statement and notice of new mortgage payment for your loan. At least once a year FCI reviews your escrow account to determine if the current monthly payment amounts are sufficient to cover your projected taxes and/or insurance premiums. Increases or decreases in your annual tax and/or insurance amounts may cause your monthly payment to change. The first section of the Statement projects activity for the upcoming 12 months as well as any changes to your monthly installment. Prior Year Escrow Payment Activity on the Statement reflects activity on your escrow account from August 2017 through July 2018. Payments are shown in the month received which may not necessarily be the month due. **The Statement assumes timely receipt of payments and scheduled disbursements through July 31, 2019.**

Surplus: A Surplus is the amount by which a current impound/escrow balance exceeds the target balance for the 12-month period for the impound/escrow account. Refunds due to Surplus will be mailed within 30 days. Tax bills other than the annual secured bill are your responsibility to pay. Before spending your refund, you should check with your local County Tax Collector and/or the Assessor's Office to determine if a Supplemental Tax Bill is pending or expected to be issued.

Shortage: A Shortage means that an amount by which a current impound/escrow account balance falls short of the target balance at the time of the impound/escrow analysis. Some reasons for the shortage include deficiency of total payments received and increases in tax and/or insurance amount during the projection year. If you choose to pay the escrow shortage in full rather than have it collected over 12 months, your new monthly payment is the amount listed in the top portion of your Statement. Your check for the lump sum payment and request should be submitted directly to FCI Lender Services, Inc. Attn: Escrow Department at the address listed below.

Deficiency: A Deficiency is the amount of a negative balance in an impound/escrow account which occurs due to the Servicer advancing funds to pay the impound/escrow item. Please take the time to review the Statement prior to the changes taking place. Changes to your monthly installment, as indicated in your Statement, will be reflected on your September, 2018 billing statement. If you are using an automatic payment provider, please notify them of the change in payment amount to avoid possible late fees.

Target Balance: A Target Balance means the estimated month-end balance in an impound/escrow account that is just sufficient to cover the remaining disbursements from the impound/escrow account for the remainder of the 12 month period that are required to cover annual taxes, insurance, or other escrow/impound items.

If you have any questions regarding this Statement, please call our toll free number at 800-931-2424, Ext. 650, Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. Pacific Standard Time or visit our website www.trustfci.com at anytime. When calling, please reference your loan number, so that we may better serve you.

IMPORTANT NOTE: It is our goal to provide you with accurate escrow information. If your loan account is delinquent, this analysis may not include current escrow information and may not accurately reflect your actual or projected escrow activity. Please inform this office immediately of your current tax and insurance information by calling 800-931-2424 in order to re-establish your escrow account. Insurance information may not be calculated into this analysis if the information was not provided to the Servicer. Please note, once annual insurance premium information has been provided, the payment must be re-projected.

These are the escrow items we anticipate we will collect for or pay on your behalf in your upcoming 12 month period. The dollar amount shown may be the last amount actually paid for that item, or may project the next amount due as defined by Federal Law. Based on these anticipated disbursements, the amount of your escrow deposit is calculated and displayed here.
